Dodd**

Building Certifiers

## Knowledgeable

**Our building surveyors are eminent in their field and are focussed entirely on the profession of building surveying.**

Since 1995 Katnich Dodd has given professional support to the majority of South Australia's landmark projects. The same enthusiastic, value-adding service has also been applied to thousands of projects, large and small, industrial, commercial and domestic.

Our consultants are accessible and approachable and their extensive and varied experience enables practical assistance, particularly where innovation is required.

Our professional standing enables productive interaction and information flow with all levels of government in both advisory and consultancy roles.

## Dependable

**Katnich Dodd has a reputation for delivering. We are focused on your needs and won't let you down.**

Ours is a responsive and collaborative approach to ensure a successful outcome; with no impediments or unwanted surprises.

We foster close client relationships through communication, understanding and active support. Katnich Dodd has developed close working relationships with the vast majority of SA's building industry professionals. We have an enviable reputation as influential members of any project team.

## Quality

**Our goal is to add value to your project.**

We know that quality building surveying pays dividends in terms of cost effective construction, reduced legal exposure and positive outcomes for all stakeholders.

Katnich Dodd provides high quality value adding advice, surety of

outcome and management of risk. Our quality accreditation and structured training, ensures that we stay at the forefront of our profession and at the cutting edge of the ever changing regulatory environment. Our consultants confidently assist with project challenges and performance based solutions.

Katnich Dodd is the leading South Australian Building Surveying consultancy.
